SCHOOL-BASED HEALTH CENTER SERVICES

I consent for my child to receive health care services provided by the licensed health professionals at the School-Based Health Center as part of the school health program approved by the District of Columbia Department of Health (DC Health) and the District of Columbia Public Schools (DCPS.) I understand that the school-based health center will ensure confidentiality in accordance with the law, and that students will be encouraged to involve their parents or guardians in counseling and medical care decisions. School-Based Health Center services may include, but are not limited to:

1. School health services, including screening for vision, hearing, asthma, obesity, and other medical conditions, first aid, and required and recommended immunizations.
2. Comprehensive physical examination (complete medical examination) including those for school, college, daycare, sports, employment, and new admissions.
3. Medically prescribed laboratory tests such as for anemia, sickle cell, and diabetes.
4. Medical care and treatment, including diagnosis of acute and chronic illness and disease, and dispensing and prescribing of medications.
5. Mental health services including evaluation, diagnosis, treatment, and referrals.
6. Reproductive health care services, including abstinence counseling, providing access to birth control, pregnancy testing, STD screening and treatment, HIV testing, PAP smears when indicated, and referrals for abnormal results, as age appropriate.
7. Health education and counseling for the prevention of risk-taking behaviors such as: drug, alcohol, and tobacco use; age appropriate education on abstinence, pregnancy prevention, sexually transmitted infections, and HIV.
8. Dental treatment consisting of examinations, x-rays, diagnosis & treatment modalities that may include cleaning, administration of topical and local anesthesia, fillings and sealants.
9. Referrals for services not provided at the school-based health center.
10. Annual health questionnaire/survey.

PARENTAL CONSENT FOR RELEASE OF HEALTH INFORMATION

My signature below authorizes release of health information obtained by the School Based Health Center to DC Public Schools and DC Health. This information may be protected from disclosure by federal privacy law and District law. I am further authorizing the School-Based Health Center to release specific medical information to DC Public Schools and DC Health, either because it is required by law or by regulation, or because it is necessary to protect my child's health and safety.

I understand that I do not have to allow release of my child's health information in order for my child to receive treatment, and that I can change my mind at any time and revoke my authorization by writing to the School-Based Health Center. However, after a disclosure has been made, I understand that my revocation does not cover information released prior to the revocation. I also understand that health information disclosed pursuant to this authorization may be re-disclosed by the recipient, who shall provide written notification to the receiving party that this health information is being re-disclosed for the specific stated purpose, and that any additional re-disclosure will require additional consent.

I authorize the School-Based Health Center to release specific medical information of the student named on the reverse page to the DC Public Schools and DC Health.

I understand that the results of reportable diseases and immunizations administered will be released to DC Health and the DC Public Schools. In addition, case records and survey information may be used for program evaluation in accordance with Federal and District laws regarding patient confidentiality.

My signature in the Consent for Release of Health Information section below gives my consent to the School- Based Health Center to contact other providers who have examined my child and to obtain insurance information.

Time Period During Which Release of Information is Authorized:

From: Date that form is signed on opposite page **To:** Date that student is no longer enrolled in sports activities with DCPS

PARENTAL CONSENT FOR SCHOOL-BASED HEALTH CENTER SERVICES

YES: I have read and understand the services listed on the previous page (School-Based Health Center Services) and my signature provides consent for my child to receive services provided by the selected school-based health center for well-child exam and sports clearance as long as my child is participating in DCPS sports activities. To promote continuity of care my child will only be enrolled at ONE SBHC. I further agree that I will promptly inform the School-Based Health Center in writing of any changes in my child's physical or dental health and any change in the custody of my child which affects my ability to provide this consent on behalf of my child.

NOTE: In accordance with the Minor's Health Consent Regulation (22-B DCMR 600), parental consent is not required for the prevention, diagnosis or treatment of (1) a pregnancy or its lawful termination; (2) substance abuse, including drug and alcohol abuse; (3) a mental or emotional health condition, or (4) a sexually transmitted disease. Furthermore, parental consent is not required for the application of emergency first aid treatment or the provision of services where the health of a student is endangered. Parental consent is not required for students who are 18 years or older or for legally emancipated students.

I hereby acknowledge and agree that, as provided for in D.C. Official Code sec. 38-651.11, the District, the school, its employees and agents, which shall include the practicing physician, physician assistant or advanced practice nurse, shall be immune from civil liability for any acts or omissions relating to or arising from their good faith performance of responsibilities under D.C Official Code sec. 38-651.01 et seq., except for criminal acts, intentional wrongdoing, gross negligence, or willful misconduct. I understand that this form must be completed and submitted before the student can receive health services.

NO: I do not give permission for my child to receive SBHC services.

Consent to Share Student Health Educational Records

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student educational records. The purpose of this consent is to allow key school-based staff members (*such as the principal, school nurse, nurse case managers, 504 Coordinators, and Special Education staff members*) who work with your child to share health-related educational records with external health-related agencies and healthcare providers, including school-based health centers (*if there is one located in your school*). These staff members and health care providers would then be able to better coordinate health-related services for your child. Coordinated services will better ensure that your child’s needs are met, and that he/she can fully participate in the school’s learning environment. **IF YOU AGREE TO THIS CONSENT, PLEASE COMPLETE, SIGN AND RETURN IT TO THE REGISTRAR AT YOUR CHILD’S SCHOOL.**

Form A Adolescent Treatment Authorization

The policy of all physicians at the Georgetown University hospital Adolescent Medicine clinic is to maintain parental involvement in their adolescent's care. However, there may be instances when your adolescent will present for medical care without an accompanying parent or legal guardian. This visit could be for many reasons, including vaccination series completion, routine medical care and sick visits. At those times your daughter/son will receive the indicated and necessary medical treatment with the same care and consideration that is extended when you are present with your adolescent.

I consent to the examination and treatment of _____ (Print Student Name and DOB) by physicians and/or staff of MedStar Georgetown University Hospital – Kids Mobile Medical Clinic/ Ronald McDonald Care Mobile Program. It is understood that this treatment may be rendered in my absences if he/she should present for care without a parent or legal guardian. ***This consent shall be valid unless and until a written revocation is received by the KMMC from the parent or guardian or until the adolescent is able to grant their own consent for treatment.*** If you agree to the extent of our services please print and sign your name below.

I understand that my son/daughter will be seen for both Student Health Services AND Regular on-going health care services at the Kids Mobile Medical Clinic/ Ronald McDonald Care Mobile. This may include, but is not limited to, well adolescent care, sick visits, routine annual school/sports physicals, immunizations/shots, hearing and vision screening, tuberculosis screening. I further consent to the drawing of blood and any necessary laboratory testing necessary. I also understand that medical problems that are identified or arise during these services will be brought to my attention as necessary.
