Greetings

DCIAA Gravy Bowl 2026

November 21, 2026

As Mayor of Washington, DC, I am pleased to extend greetings to the organizers and attendees of the annual District of Columbia Interscholastic Athletics Association (DCIAA) Gravy Bowl.

This championship game of our high school football Stripes Division is a culmination of competitive spirit and dedication of our student-athletes and a reflection of the discipline, teamwork, and community pride that define DCIAA Class A football.

Congratulations to both teams on advancing to this year's championship game and to all DCIAA student-athletes whose remarkable talent, determination, and exemplary sportsmanship are a tremendous source of pride for our community.

I am especially grateful to DC Public Schools, the DC Athletic Association, and to the coaches, families, volunteers, and fans for their unwavering support of DCIAA athletics and for making the 2026 Gravy Bowl a resounding success.

On behalf of the nearly 700,000 residents of Washington, DC, thank you for your unwavering support of DCIAA athletics and best wishes for a successful and memorable event.

Muriel Bowser
Mayor, Washington, DC

PUBLIC SCHOOLS

November 21, 2026

Dear Anacostia High School & McKinley Technology High School Communities:

As Interim Chancellor of DC Public Schools (DCPS), it is my pleasure to welcome you to the 13th Annual District of Columbia Interscholastic Athletic Association's (DCIAA) Gravy Bowl! Congratulations to all our student-athletes on earning the opportunity to compete in this cherished district-wide tradition.

Thanksgiving is a time of gratitude, and I am grateful for how our student-athletes balance academic and personal responsibilities alongside commitments to their teams. Many of the football players competing today are also pursuing post-secondary pathways and engaging in rigorous academic opportunities, a reflection of their hard work on and off the field.

Beyond academics, I am also thankful for what sports instill in our scholars. The confidence and leadership skills my own children gained by playing sports are the qualities I am proud to see them carry many years later.

When our student-athletes look back on their time competing, they will remember being uplifted by teammates and coaches and hugging loved ones after a big game. Regardless of today's outcome, these special moments are what they will cherish most.

Best of luck to both McKinley and Anacostia. Thank you for representing DCPS and your schools with pride.

Have a safe and happy Thanksgiving holiday next week!

With appreciation,

Kim Jackson

THE MAN IN THE ARENA

It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat.
