Sportsmanship Statement

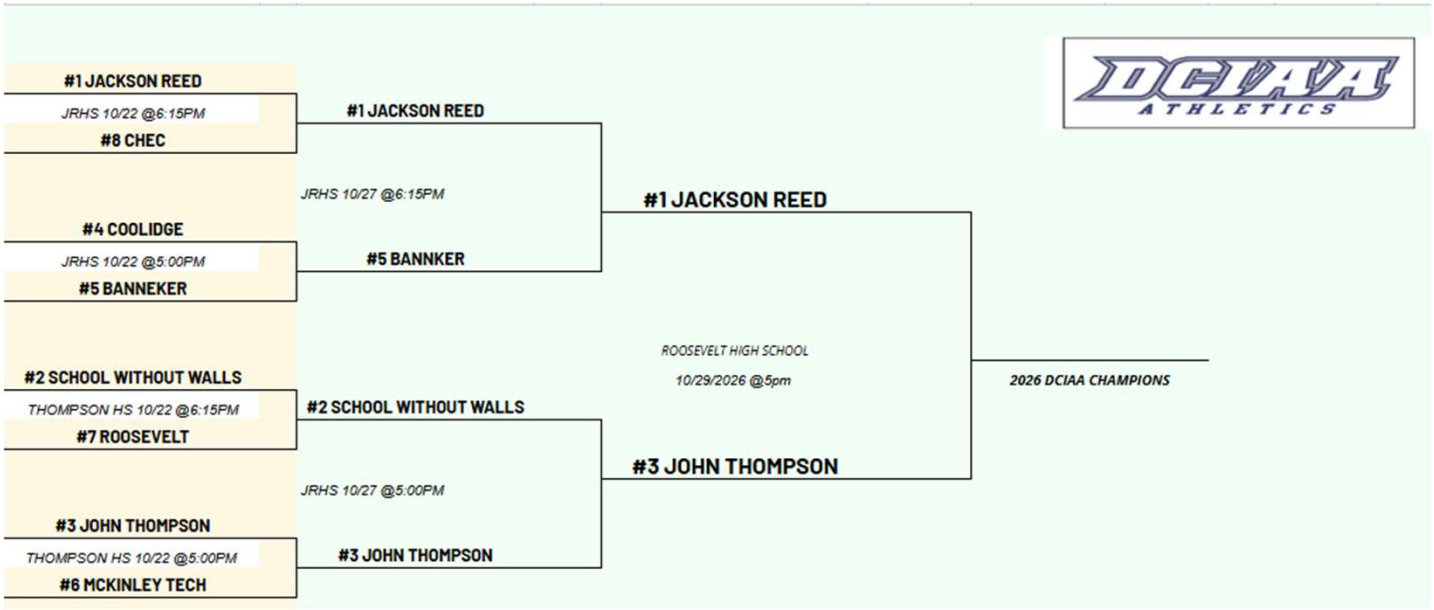

The District of Columbia Public Schools and the District of Columbia Interscholastic Athletic Association believe good sportsmanship is an integral component of interscholastic competition. In order for good sportsmanship to prevail, coaches, student-athletes, and fans must display respect, fairness, civility, honesty and responsibility before, during and after all athletic contests. We encourage fans to enthusiastically support their team, recognize outstanding performance of opponents, and always exhibit good sportsmanship in their words and actions.

Profanity, derogatory comments, and other intimidating words or actions directed at game officials, student-athletes, coaches, team representatives, or other spectators will not be tolerated and are grounds for removal from the site of competition. Be a positive representative of your school community.

Thank you!
